STEP 1

Cause Cards: Write down the cause, then flip the card over and write down which tables/agencies/opportunities address that cause. Do this for all of the Cause Cards.

STEP 2

Skill Cards: Write down the skills requested, then flip the card over and write down which tables/agencies/opportunities request that skill. Do this for all of the Skill Cards.

STEP 3

Lay the Cause Cards and Skill Cards on the table facing the volunteer. Avoid shuffling the two sets of cards together, keep them separated.

STEP 4

Ask the volunteer, "Look at these causes and pick up to 3 you are interested in." Remove the cards that were not selected.

STEP 5

Ask the volunteer, "Look at these skills and pick up to 3 that you are comfortable with." Remove the cards that were not selected.

STEP 6

Flip over the remaining cards, then recommend the most popular number to the volunteer. In the case of a tie you may recommend both.
